

GKA extra and savings

From 20 participants, with a contribution to employees' fare money

This is how the GKA extra variant works: a company applies for at least 20 ProfiCards. The employer subsidizes each ProfiCard user with a monthly contribution of at least 13.86 euros and pays a small handling fee to the sales partner. The ProfiCard fare money is deducted at source from the employee's salary.

Sales partners

Everything optimally taken care of – by the ProfiCard sales partner

The HVV offers the ProfiCard extra in collaboration with three sales partners: the ACE Auto Club Europa e.V. (ACE), the AGA Service GmbH (AGA) and the INDUSTRIEVERBAND HAMBURG E.V. (IVH). These sales partners offer the ProfiCard at the same conditions together with various different services. It is not necessary to be a member of one of the sales partners in order to get a ProfiCard from them.

Your ProfiCard sales partner not only supports you when the ProfiCards are issued for the first time, but also takes many of the tasks in handling the day-to-day job of running a ProfiCard programme off your hands, e.g. supplying new ProfiCard cardholders with their cards and handling the exchange of a normal HVV subscription season ticket for a ProfiCard. You can find details on the websites of our sales partners.
